

# Summer Reading Program 2019

## MyOn & Readsquared

<https://www.myon.com/>

The state has again purchased use of the **kid's e-book software**. The big difference this summer is that users will no longer need to log in through their library system name. The Southern Adirondack Library System is a lot to type for a 1st grader. The new log in is:

School Name: **New York Reads**

Username: **read**

Password: **books**

A UNIVERSE  
OF STORIES

— myON by Renaissance® —

UN UNIVERSO  
DE HISTORIAS

### Start reading now!

1. Go to [www.myON.com](http://www.myON.com) and click on the  button
2. Enter this information  
School Name: **New York Reads**  
(Begin by entering the first few letters, then click on the name from the drop-down menu)  
Username: **read**  
Password: **books**
3. Select a book and start reading!

# READ squared

Habit Forming

Readsquared is a helpful tool, but not required, to participate in the Summer Reading Program at Easton Library. Readsquared will help children track reading and log activity.
