Container Gardens for Kids

We supply everything that youth need to grow their very own container garden, you supply the hands willing to get dirty.

Supplies include lettuce, sunflower & marigold seeds, tomato & cucumber plants, soil and containers. You will also receive monthly garden tips and featured books to find at your local libraries.

Please Pre-Register by May 18 by visiting this registration link:

[https://reg.cce.cornell.edu/4H Container Garden Kits 253](https://reg.cce.cornell.edu/4H%20Container%20Garden%20Kits%20253)

(one container garden per family).

Pick-up dates:

Wednesday May 25th 3PM-6PM at Washington County Cornell Cooperative Extension Office

Thursday May 26th 3PM-6PM at Greenwich Village Hall

Please come ready for your child's hands to dig in soil. You can bring small shovels, gloves, even your own containers can be used.
